

Bio Board

This activity will help you create a complete visual presentation of an important historical figure.

Materials:

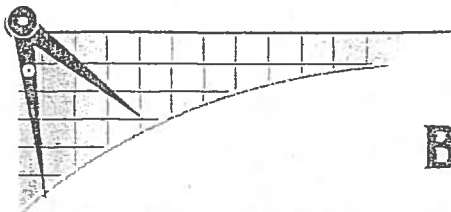

Enlarged copy of the Bio Board Diagram (page 53)
Markers or colorful pencils
Glue
Scissors
Foam board

Directions:

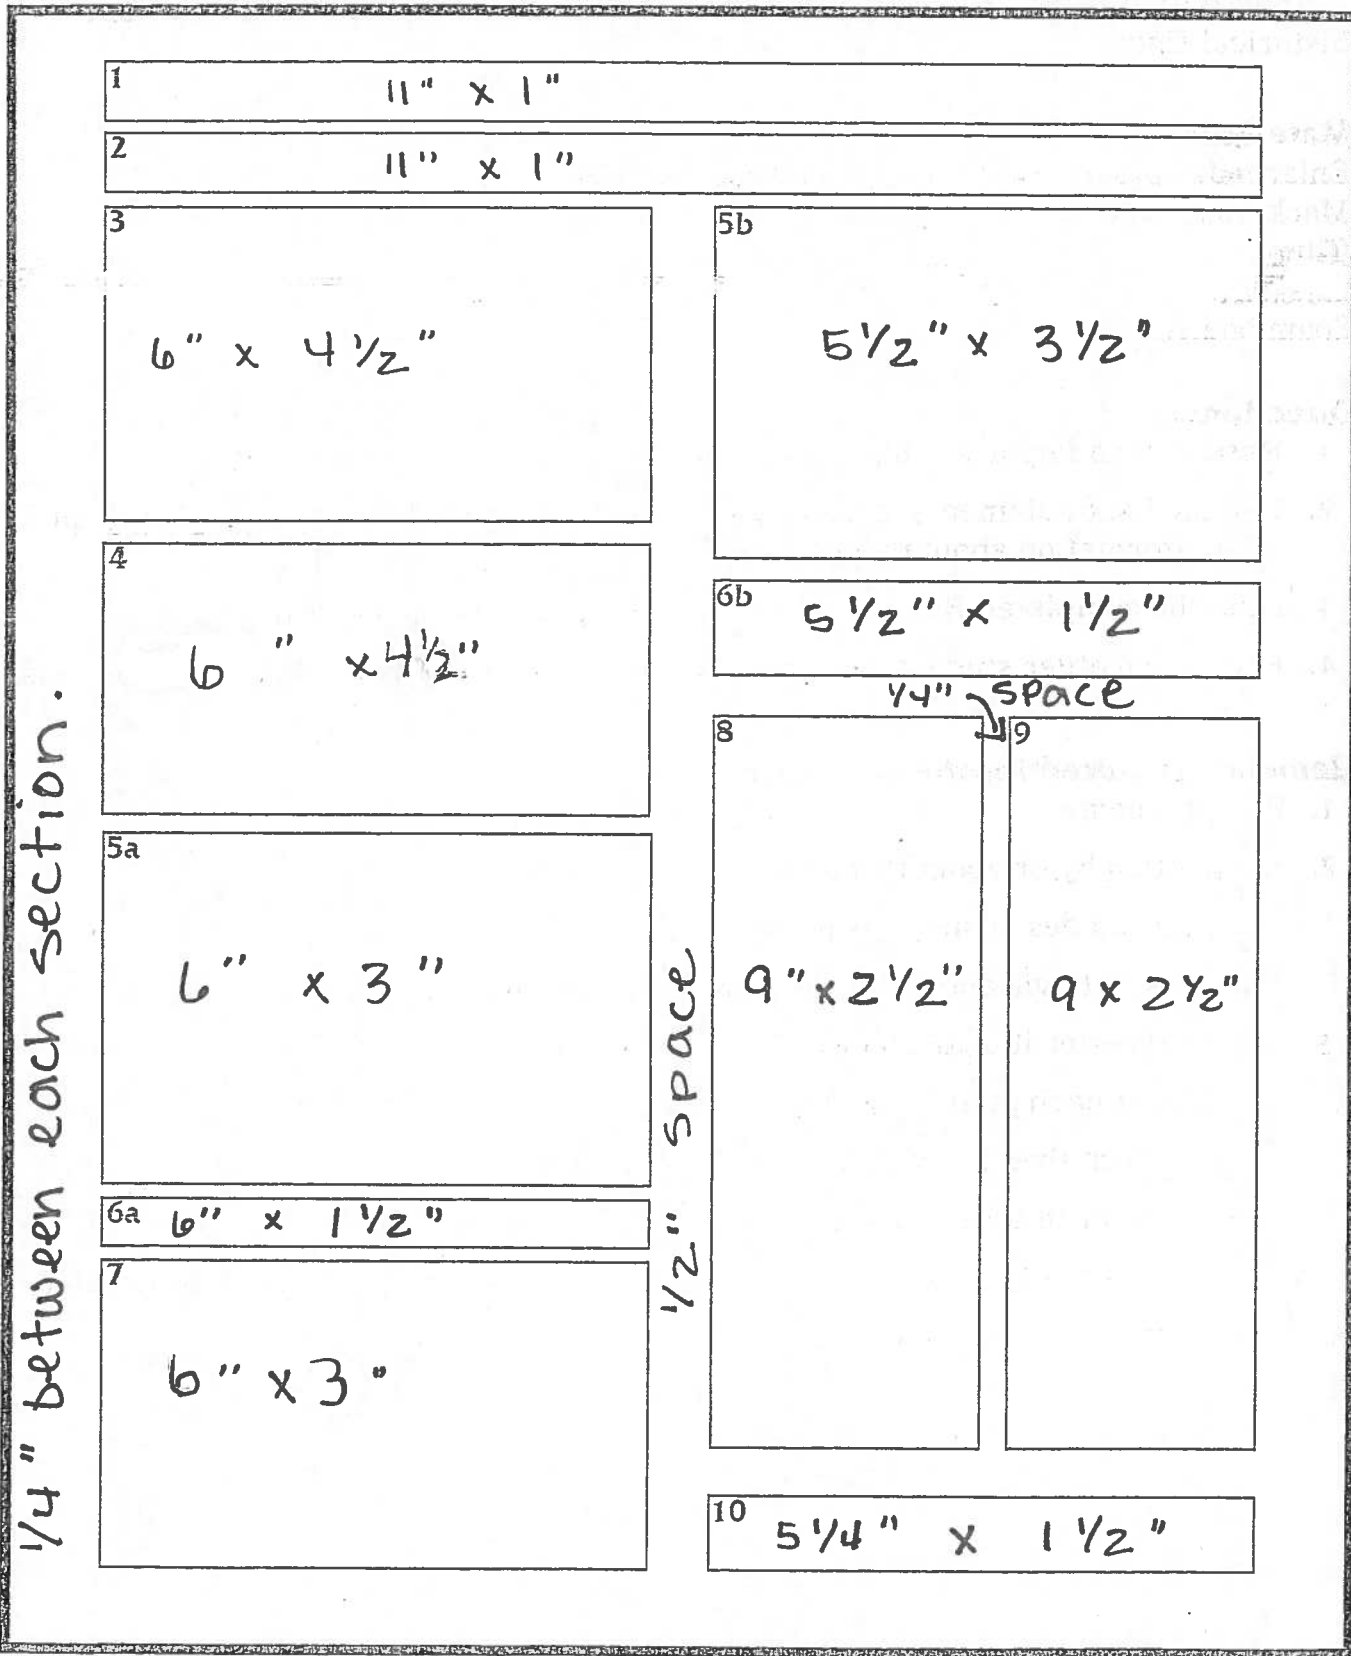

1. Research an important historical person.
2. Use the list of elements (below) as a guide to complete the Bio Board Diagram with information about the person.
3. Glue the completed Bio Board Diagram to a piece of foam board.
4. Encourage other students to read the information and answer the four questions.

Elements Required for the Bio Board:

1. Person's name
2. A quotation by or about this person
3. A paragraph describing this person
4. Ten facts or trivia about this person's accomplishments
5. Two pictures or illustrations of this person
6. Caption for each picture or illustration
7. A short poem that includes details about this person
8. A time line of this person's life
9. Four questions others should be able to answer using the Bio Board information
10. Your name, class, and date
